Versione in lingua inglese di TD-SGI-DEX009_00 (Dichiarazione di consenso all'esecuzione di analisi di genetica medica), destinata ai pazienti che non comprendono la lingua italiana. Il contenuto corrisponde integralmente al modulo del fornitore adottato con DEX009; in caso di dubbio interpretativo prevale la versione italiana. Rif.: TD-SGI-DEX009 · TD-SGI-PRO040 (Comunicazione con il Paziente e Consenso informato) · TD-SGI-INF056 (Informativa Test Genetici) · TD-SGI-PRO106 (Soggetti Vulnerabili e Tutela del Minore).

Declaration of consent to medical genetic testing

(Regional Resolution DGR 4716/2013, Italian Law 219/2017)

I, the undersigned (Patient) _____ born in _____ on _____
resident in _____ Street _____ Postcode _____ Prov. _____
Tax code _____ Tel: _____
Sex ☐ M ☐ F Ethnic/geographic origin _____

I DECLARE*

that I have been adequately informed, that I have had the time and opportunity to ask all the questions I considered necessary, that I have received complete and understandable answers, and that I have fully understood the purpose, meaning, type and relevance of the analysis, as well as its limitations.

I CONSENT*

- To the collection of biological material for the performance of: ☐ YES ☐ NO
 –
 –
 –
 Type of sample to be analysed: ☐ Peripheral blood ☐ Other
- To the use of the biological sample for diagnostic purposes ☐ YES ☐ NO
FAILURE TO CONSENT TO THE ABOVE WILL PREVENT THE ANALYSIS FROM BEING PERFORMED
- To be informed of the results of the requested tests ☐ YES ☐ NO
IF THE PREVIOUS CONSENT IS REFUSED, INDICATE TO WHOM THE INFORMATION SHOULD BE GIVEN:

- To share the results with Doctor
- To share the results with Mr/Ms
- To be informed of any unexpected findings that may be of benefit in terms of therapy, prevention or awareness of reproductive choices ☐ YES ☐ NO
- To be informed of any unexpected findings that may NOT be of benefit in terms of therapy, prevention or awareness of reproductive choices ☐ YES ☐ NO
- To the use of the biological material and data, in compliance with the legislation in force on the protection of personal data, for further diagnostic investigations:
 - At the centre performing the analyses ☐ YES ☐ NO
 - At other centres, including outside the European Union ☐ YES ☐ NO
- To share the results with family members if they so request ☐ YES ☐ NO
- For the specific purposes of the service covered by this form, we inform you that the telephone number and any e-mail address you have provided may be used, with your consent, to contact you subsequently for communications relating to the service received or to the use of the related results for research purposes. ☐ YES ☐ NO

Test indications (Reason why the patient is requesting the test: also indicate family history and family tree).

.....

NB: ALWAYS REPORT ANY BLOOD TRANSFUSIONS OR BONE MARROW TRANSPLANTS

PRIVACY NOTICE

Toscana Diagnostica S.r.l., with registered office in Via di Pratignone 13/4 – 50019 Sesto Fiorentino (FI), Italy, Tax Code and VAT No. 07528130482, e-mail privacy@toscanadiagnostica.it, as data controller, informs you that the data provided above, as well as the genetic data that will be processed as a result of the analysis of the biological sample, are processed for the purposes of medical diagnosis, the provision of health care or treatment and the therapeutic management of the patient, pursuant to Art. 9(2)(h) of the GDPR; the processing is therefore necessary for the purposes of preventive medicine, diagnosis and the provision of health care or treatment carried out by professionals subject to professional secrecy or by other persons bound by an obligation of confidentiality. The data are processed on paper and/or electronically, in compliance with the principles of lawfulness, fairness, transparency, data minimisation and security, by specifically authorised and trained staff. The provision of genetic data is necessary in order to receive the requested health services, and failure to provide them will make it impossible to provide the requested services. Genetic data may be disclosed, strictly within the limits of the purposes indicated above, to internal and external health professionals in charge of diagnosis and care, to accredited genetic testing laboratories performing the test in whole or in part on behalf of Toscana Diagnostica, to health authorities and public bodies within the limits provided for by the legislation in force, and to any technical service providers (e.g. software and hosting) duly appointed as Data Processors pursuant to Art. 28 of the GDPR. Genetic data, biological samples and reports are stored for the periods indicated in the specific information notice for genetic tests (TD-SGI-INF056), in accordance with the applicable health regulations, and in any case for the time necessary to fulfil the purposes indicated above. The data subject has the right to access their personal data, to request its rectification or erasure, to request the restriction of processing or to object to it in the cases provided for, to receive the data in a structured, commonly used and machine-readable format, and to lodge a complaint with the Italian Data Protection Authority (www.garanteprivacy.it). Toscana Diagnostica has appointed a Data Protection Officer (DPO), who can be contacted at: dpo@toscanadiagnostica.it.

Date _____

Patient's signature _____

***For minors or persons unable to give their consent:**

I authorise the sample collection and the performance of the analysis for the minor/person unable to give their consent.

SURNAME, NAME, PLACE AND DATE OF BIRTH, ETHNIC/GEOGRAPHIC ORIGIN OF ☐ PARENT 1 OR HOLDER OF PARENTAL RESPONSIBILITY ☐ LEGAL GUARDIAN: _____SURNAME, NAME, PLACE AND DATE OF BIRTH, ETHNIC/GEOGRAPHIC ORIGIN OF ☐ PARENT 2 OR HOLDER OF PARENTAL RESPONSIBILITY ☐ LEGAL GUARDIAN: _____

If the second parent is absent, I declare that he/she cannot sign the consent because he/she is prevented from doing so (distance or other reasons) and I self-certify, pursuant to Articles 38 and 47 of Italian Presidential Decree 445/2000, that the other parent is aware of and agrees to the performance of the analysis, taking responsibility for the decisions concerning the care pathway of my minor child.

Signature of PARENT 1/GUARDIAN _____ Signature of PARENT 2 _____

The Physician certifies that the minor's opinion has been sought and taken into consideration.

Medical Specialist/Geneticist Biologist _____ Signature and stamp _____

This consent to the processing of data and the consent to perform the genetic test may be withdrawn until the analysis has been performed, by sending a certified e-mail (PEC) to toscanadiagnostica@pec.it or an e-mail to privacy@toscanadiagnostica.it, or by going in person to the facility.
